Our makes are positively of the very highest character. We never sold you shoddy shoes. We never would tolerate them in our store. We don't pretend to sell shoes for less than cost, but high quality and low prices predominate here, all backed up with our guarantee. Everything that's new and good in Ladies', Men's, Boys, Misses, Children's and Infant's Shoes are here. All prices to fit pocket-books of large and small dimensions.

No, we can't tell you the half of what we have-its too big a task-but we can tell you what we have not, and that's poor shoes; there's not a pair in the house. Send as your orders.
